

ADVANCED CERTIFICATE OF SKIN CANCER SURGERY

ONLINE + OPTIONAL WORKSHOP

Surgery is still considered the most effective skin cancer treatment. With limited access to surgeons and year-long waiting lists at public hospitals, patients depend on skilled general practitioners who can offer an immediate solution to their concerns.

The intermediate course in the three-part pathway, the **Advanced Certificate of Skin Cancer Surgery** is ideal for medical professionals with a special interest in skin cancer and who wish to treat more complex skin cancer cases. You will learn and hone surgical techniques applicable to cases commonly seen in primary care to provide your patients with optimal scarring results, including in anatomically complex and cosmetically sensitive areas. You can expect to reduce your referral rates as you gain invaluable experience that enables you to do more skin-related surgery in day-to-day work. The optional practical workshop and interactive web tutorials are led by noted skin cancer doctors and a team of experienced GPs to assist you in developing your skills.

Professional Certificate of
Skin Cancer Surgery

Advanced Certificate of
Skin Cancer Surgery

Professional Diploma of
Skin Cancer Surgery

TOPICS COVERED

- Anatomy of the head, neck, face, and limbs
- Advancement flaps and rhomboid flaps on the face, upper lip and lateral nose
- Rotational flaps in closure of scalp, cheek and distal limb defects
- Full-thickness and split-thickness grafts on the face and lower limb defects
- Closure of ear defects with flaps, grafts and wedges
- Closure techniques to minimise scarring

COURSE DELIVERY AND REQUIREMENTS

The course is suitable for general practitioners and International Medical Graduates, and assumes no prior knowledge or training in the field. The course is delivered in three parts:

1. **Online lectures:** Start your online studies anytime and complete the eight modules at your convenience.
2. **Live web tutorials:** Reinforce your learning, ask questions and follow along demonstrations of procedures from home.
3. **Optional workshop:** Apply theory in practice and cement your knowledge through guided hands-on workshops in select locations.

PRESENTERS

Dr Tony Azzi
Newcastle Skin Check

Dr Alister Lilleyman
Newcastle Skin Check

Dr Victor Harling
National Skin Cancer Centres

THE COURSE INCLUDES

Pre-reading activities, an optional practical workshop with expert demonstrations and practical hands-on activities, interactive live web tutorials and further readings, individual assessment tasks, and two online examinations.

CERTIFICATION

Upon successful completion of the course, you will receive the HealthCert Advanced Certificate and accreditation points:

RACGP: CPD Accredited Activity 40 Points

ACRRM: 14 Educational activity, 15 Performance review PDP units and 3 MOPS points

POSTGRADUATE STUDIES

This course is the second stage of the HealthCert Professional Diploma of Skin Cancer Surgery pathway. Upon successful completion of the pathway, graduates can apply for Accreditation of Prior Certified Learning for module 2 of the Postgraduate Diploma in Minor Surgery studied through the Rila Institute of Health Sciences and awarded by the University of Plymouth (UK), with a time saving of 40 per cent. Graduates can then apply for credit from the Postgraduate Diploma to the Master of Science in the specialism awarded by the University of Plymouth. Clinical attachments are also available in Australia and at university teaching hospitals at the University of Lyon and the University of Vienna, providing the opportunity to observe skin cancer treatments and ask questions of experts.

“ I was amazed to be able to apply what I learned in the Advanced Certificate of Skin Cancer Surgery course. I've found that my knowledge, skill and ability have accelerated since doing the course and it is eminently applicable. It has been worthwhile following through with what I learned in the course, and the education pathway has a multiplier effect on my knowledge and skill. A good example to other education providers!
